Sportshall Athletics

A record number of 25 teams took part in this years primary competition. Officiated by students from Barnet and Southgate College and QEG's. The atmosphere was electric and the performances in both track and field were very impressive. Well done to all schools that took part. 25 schools were whittled down to just 6 to compete in the borough final event. There were some fantastic distances jumped and thrown. Huge congratulations to Garden Suburb Junior School who won the event and will be representing Barnet at the London School Games.
