

# BPSS Newsletter Spring 1

*It has been a fantastic start to 2019 with excellent talent and enthusiasm among the borough. We look forward to seeing you all at the upcoming events.*

## Football

Congratulations to Mr Courtage and the Boys Barnet District team, winners of the county Danone Nations Cup. The team will now represent Middlesex at the National stages of competition. Good luck!

Well done to both Holly Park Girls (pictured) and St Vincent's Boys who represented Barnet at the schools county Danone Nations Cup. Holly Park reported that the girls really enjoyed themselves and they represented the borough with pride.

Well done to all 834 pupils from 85 teams that took part in the Year 6 Mixed and Year 5&6 Girls Football Tournaments. Congratulations to our winners, St Theresa's (Yr6 Mixed) and Whittings Hill (Yr 5&6 Girls). Good luck to Whittings Hill at the London Youth Games.

## High 5 Netball

The weather finally stayed dry long enough for both of our high 5 netball tournaments. Well done to all of the teams that participated in the tournaments. There were so many talented Netball players within Barnet and it was great to see them so enthusiastic and passionate about the sport. Both days witnessed nail biting finals with Martin winning in the North tournament and Brookland Junior winning in the South/West tournament.

All semi-finalists were invited to the borough finals on the 13<sup>th</sup> February to see who would be our borough winners. Congratulations to Martin Primary who took home the Gold medal and will be representing Barnet at the London Youth Games.

They excitedly took part in a huge array of sports such as golf, New Age Kurling, Rowing and dance delivered by local coaches and our supportive leaders from SMSJ, Hendon, Whitefield Schools and Middlesex University led on volleyball, goalball (blind football), athletics, boccia and polybat. Everyone involved had a brilliant day and are looking forward to the next one in May!

## RFL Tag Rugby

The year 5&6 RFL tag rugby tournament took place at Allianz Park and the participants were privileged to play their games on the Saracens first team pitch. There was some exceptional performances and it was great to see teams show teamwork and determination. Well done to all teams that took part. Congratulations to Goldbeaters who won the tournament and will be representing Barnet at the School Games Finals.

The national Panathlon programme came to Burnt Oak Leisure Centre, where the Barnet round took place to find a winner for the North London Finals. SEND students from Broadfields, Dollis Jnr, Sunnyfields, Deansbrook Jnr, Goldbeaters and The Orion took on gripping activities to find our Barnet Champions. After 8 challenging tasks Goldbeaters were crowned champions and will represent Barnet in March.

## New Age Kurling

NAK is a new event to the School Games calendar with 11 teams taking on the challenge. Many of the players had never played before; so after a demonstration from the talented JCOS leaders, the teams gave it their all and improved throughout the afternoon. After some tight matches Goldbeaters were the first ever winners of the Y3&4 NAK and will progress to represent Barnet at the School Games Finals – Good Luck

## Respect The Games

We have introduced a new award this year where schools that demonstrate the School Games values; Fairness, Ambition, Inclusion and Respect are awarded a certificate. These schools have not only been recognised by the BPSS team, but by our leaders and fellow schools. Congratulations to Holly Park, Broadfields, Woodcroft, Coppetts Wood, Hendon Prep, Goldbeaters, Brunswick Park and All Saints N20 who were selected at our School Games competitions this term. We also had two schools who were awarded the Respect the Games twice this term, a huge congratulations to Edgware and Foulds.

## Bronze Ambassadors

A wonderful evening meeting some of our Bronze Ambassadors at their second training. Throughout the session, leaders visited workshops on communication skills, leadership values and a chance to learn new activities to bring back to their playgrounds. We also had an opportunity to hear what fantastic work the Bronze Ambassadors are already doing in their school to get more young people active.

## How can your school get involved?
