Basketball

Huge congratulations to the U14 Basketball team from Christ's College, finishing Runners-Up at the School Games Finals.

Out of 32 London boroughs that entered the competition, the team successfully navigated their way through the qualifying rounds, winning 51-20, 31-25 and 81-33.

They qualified for the finals at UEL Sportsdock. Having won a close semi-final by 76-74 points, the team were finally stopped in the final, this their first defeat of the season. The team still have everything to play for having reached the final of both the Barnet League and Cup.

Dance Festival

This year's Dance festival marks the 30th year that Anne Fischer and Kim Henderson have run the amazing Barnet Dance festival where schools and clubs are able to demonstrate their fantastic talent. Both Kim and Anne have passed on the following:

'You all surpassed yourselves yet again in terms of creativity, stunning choreography, performance, costumes and makeup. You never cease to amaze me with the variety of styles from street to ballet and everything in between.'
