“Positive, Appropriate and Fantastic”

Oakleigh School

Barnet Bar No One (SEND/Inclusion)

265 pupils across 32 schools took part in this years BBN1 Autumn event. We were joined by coaches from across the Borough to give pupils with inclusive needs a chance to try a variety of activities. They experienced indoor rowing, boccia, new age kurling, cricket, golf, volleyball, goalball, dance, athletics and table top sports! There was a brilliant buzz, with all students going away having had a positive experience. The feedback has been overwhelming we can't wait for the summer BBN1!

"It was a great opportunity and all of the children and staff had a truly great time. The venue was great, the tasks were well designed and the staff and helpers were very friendly, helpful and great with the children. We definitely would love to do it again" Teaching Assistant

"A very positive morning and appropriate for our children too which is fantastic". Oakleigh School

A huge thank you to Unitas Youth Zone and Hendon Leisure Centre for hosting the days, and to our coaches and leaders (Hendon School St James' and Whitefield) who encouraged and supported every student.

Primary Panathlon

After last year's competitive Panathlon Championships, this year was shaping up to be very similar. The teams had all been practicing and came ready to take on boccia blast, popcorn, tenpin topple and Messi football to name a few stations. Every point counted and once all stations had been completed Deansbrook Juniors were crowned Barnet Champions and will continue to represent Barnet at the London Finals! Good Luck!

Thank you to Panathlon for giving our schools this opportunity. And to the amazing leaders from St James' Catholic High School, who led the activities and supported the schools to achieve their best.

Secondary Boccia

Ten teams took part in this year's Boccia Competition, hosted at the new Unitas Youth Zone. The majority of players had not played before, so after an introduction to the rules and a few friendlies they got underway. It didn't take long before teams started using tactics and working together to block and knock out balls, to get points for their teams. After a close final, Copthall were crowned Champions and will represent Barnet at the Panathlon Finals at the Copper Box! Congratulations to all the schools involved – St James', Compton, Copthall, Whitefield, Oak Lodge & Mapledown.

Primary Boccia

Twenty teams took part in this year's Primary Boccia Competition. With little knowledge of the sport before attending, all the teams showed great skill in blocking and getting their team closest to the white ball. After a strong battle, Tudor School were crowned Champions and will represent Barnet at the School Games Finals.

A huge thank you to the young leaders (Yr4-6) from Annunciation and Woodcroft Schools who officiated the matches brilliantly.
