

#SchoolSelfieChallenge

We are excited to share with you details of the **#SchoolSelfieChallenge**, the latest in a series of Strava challenges set to launch at the beginning of the Summer term.

Staff Challenge: What better way to reconnect with our school community than to visit all our schools across the borough and take a socially distanced selfie outside the main entrance. Simply post a selfie on Strava or if you would prefer email it over and at the end of the challenge we hope to create a wonderful collage. Don't worry if you are a little camera shy, you don't have to feature in the photo if you would prefer not to. The only rule is that you must have travelled to the location either on foot or by bike.

Pupils can join in too: There are a vast number of schools to visit for this challenge, perhaps too many for the Strava Club to cover alone, so why not get your pupils involved too? You could use this challenge to encourage active travel, whereby pupils could stop for a quick selfie outside another school they pass on their way to or from their own school. Perhaps after completing The Daily Mile or Mayor's Golden Kilometre your pupils could pose for a group selfie by their school sign. Another example could be to take a group selfie after attending another school to use their facilities or after a school fixture. These are just a few examples, please feel free to use your own too.

How you can get involved: Any of your school colleagues are welcome to join the [Barnet Strava Club](#), if you already have the fitness app simply click 'request to join'. If you don't have an account you can create one for free [here](#). Once you have requested to join, please drop your SGO an email so they can verify your request. If you want your 'walk' to appear on the club's activity feed, then it needs to be recorded as a 'run'. Strava rules, not mine.

Please click [here](#) to watch a short TikTok video we have produced to introduce the challenge. There are also numerous resources available on our website to help promote the challenge to your school staff, pupils and parents/carers, simply click [here](#) to access. Don't forget to tag us @BarnetSport and use the #SchoolSelfieChallenge.

Any queries please contact the BPSS team. We hope you will come on this exciting journey to reconnect with our local community ☺
