

BPSS Secondary Newsletter May 2021

WELCOME ...TO THE MAY BPSS SECONDARY NEWSLETTER

Firstly, a BIG **THANK YOU** to every school who contributed to the survey sent out in the last week of April. We now have local, regional & national data showing the impact of the Jan – March lockdown on Barnet's young people - which Jo is going to share with you and your headteachers next week.

This data is going to shape our work even more as a team, enabling you to work with us on targeted projects, festivals, competitions & interventions going forward.

As you can see, we have changed our form of communication to schools. With this, we sent out our inaugural [BPSS Community Newsletter](#) last week. This will be issued monthly on the first Friday, with the intention of helping your school community access various opportunities to be physically active outside of school hours. Please share this with your parents, guardians, and carers however you see fit - This could be alongside your own school newsletter, email or social media.

At the beginning of June we look forward to welcoming back our lovely colleague Vanessa Pender, who has been away on maternity leave.

As always, please do not hesitate to get in contact if there is anything we can support you with.

All the best, The BPSS Team 😊

LYG Virtual Events

LYG are delivering an extensive programme of summer virtual competitions.

These competitions are open to every school within Barnet, regardless of whether you buy into the BPSS partnership or not.

Please click the below image for full details.

In addition to the above opportunities, LYG are delivering a Virtual Spring Run competition to help encourage Londoners back to sport.

Running between 10th-24th May, pupils can participate either at school or in their own time.

Please click the below image for full details.

It was an exciting start to the BPSS '**This Girl Can**' campaign with three secondary schools joining the first committee meeting last week.

The **This Girl Can** Ambassadors were enthusiastic and eager to get the campaign running at their school.

We are excited to hear about the work they do and the impact the campaign can have across Barnet.
