

BPSS COMMUNITY NEWSLETTER JULY 2021

Welcome to the July *Community Newsletter*, this will be our final newsletter for this academic year. We have included a variety of local opportunities for children and young people (CYP) within Barnet to keep active and safe during the summer holidays.

It's a Jungle Out There

It's a jungle out there! As kids move up to secondary school in September, we want to help them stay safe on the roads.

As we come out of lockdown, the roads are busier, your kids are not used to increased traffic and may have forgotten the Green Cross Code. They may be travelling to secondary school along new routes, maybe without you, with friends, or on their own. The danger of children being involved in road traffic accidents may increase at this time.

So what can you do about it? Talk to your kids about road safety and planning a safe route to school, it's as simple as that.

If you want to know more, you can download a free guidebook: itsajungleoutthere.info

We want your kids to stay safe on the roads as they move up to secondary school because **it's a jungle out there!**

Who is BPSS?

We are a “not for profit” organisation involved in PESSPA (Physical Education, School Sport and Physical Activity)

Our ultimate aim is to increase opportunities and participation for all.

Please find our contact details below.
