

BPSS COMMUNITY NEWSLETTER AUTUMN 1

Welcome to the first Community Newsletter of this academic year. It has been a fantastic start with schools and students eager to re-engage into physical activity and sport. We will be sending our Community Newsletter out every half term covering local opportunities, current initiatives and of course, Barnet success stories.

Success Stories

BPSS

We are excited to announce that we are planning a calendar full of fun and exciting opportunities for all young people in Barnet. There has already been a fantastic uptake from schools entering the Football and Netball League competitions. In total 65 schools will be taking to the pitch across various Football competitions and 39 schools will be taking to the court to compete in the Netball League.

Leaders

A huge congratulations to an inspiring young leader at St James' Catholic High School who was awarded the Sports Leaders Learner of the Year 2021. This is a fantastic and well deserved achievement.

Who is BPSS?

We are a "not for profit" organisation involved in PESSPA (Physical Education, School Sport and Physical Activity)

Our ultimate aim is to increase opportunities and participation for all.
