

Dear Colleague

I hope you and your families have stayed safe and well through this challenging period. Middlesex cricket in partnership with Chance to Shine and the ECB are launching our 2021-2022 schools coaching programme that will introduce cricket to pupils in years 1-6, through physical coaching and learning in the classroom. We would like to offer your school the opportunity to take part in the below coaching programmes:

**One day school coaching programme:**

- 1 hour for meeting with teacher & Assembly - Completed over email or telephone
- 5 Hours of Coaching – coaching will take place in one day where the coach will see multiple groups from years 1-6

We can offer these programmes for **free** due to the funding we receive from Chance to Shine. For more information about Chance to Shine and to sign up to the teacher's portal that has classroom resources and all the coaching sessions that our coaches will be delivering please log on to: <https://www.chancetoshine.org/teaching-resources>

If you would like your school to be involved in one of these programmes, please email or call [Alex.hughes@middlesexccc.com](mailto:Alex.hughes@middlesexccc.com) 07775330144. When you contact Alex, please let him know which programme you would be interested in taking part in and some dates and times that we can arrange for a Middlesex Cricket representative to contact you to discuss the programme and how coaching will be delivered in your school.

If you have any questions regarding the programmes or how our coaches will be working during Covid, please don't hesitate to contact myself or Alex.

Yours in Cricket
