

BPSS Community Newsletter December 2022

WELCOME

to the final Community Newsletter of 2022.

It has been an action packed half term with a range of events that have taken place so far with Basketball tournaments, Netball festivals, Dodgeball festivals and many more!

The half term kicked off with the U14 and U16 Girls Basketball tournaments and we were blown away by the talented players across all of the schools. Well done to all of the players and congratulations to The Totteridge Academy for winning both U14 and U16 Girls and will represent Barnet at the LYG.

It has been brilliant to see so many new faces at our autumn festivals. At both the primary and secondary dodgeball and netball festivals 457 students played multiple friendly games against different schools with the importance of having fun being at the centre of the festival.

133 young students from year 1 to year 4 attended the movement festival taking part in multiple stations based around gymnastics

and dance. Our final festival welcomed 162 to our KS1 Christmas festival. The children brought lots of festive cheer to Burnt Oak leisure centre, participating in a range of fun stations focusing on their agility, balance and coordination. Students teachers and young leaders created a wonderful atmosphere at all of the festivals and it was fantastic to see young people's confidence grow throughout the events. Well done to all of the young people who took part.

We have also run multiple inclusive events this term, welcoming students to the Boccia festival, Panathlon Xtend and BBN1. It was great to see so many young people across the three events trying new activities and overcome barriers.

We are excited to welcome more young people to our 2023 events. Our spring term calendar is now bookable for PE leads on the BPSS website.

On behalf of everyone at BPSS we wish you and your school communities a wonderful Christmas and look forward to seeing you in 2023.

All the best,

The BPSS Team ☺
