It would be great to hear details of the impact your young leaders have had, how it has assisted them in personal development and where they would like their leadership journey to go.

Any articles can be written by the leaders themselves or by a member of staff, please don't forget to include pictures if you have photo consent.

National School Sports Week

This year's national school sports week is taking place Monday 19th June – Sunday 25th June.

This year we want to make sure that all children in the UK are active for the Chief Medical Officers' recommended minimum time of 60 minutes a day. That's why this year, along with our campaign partner Sports Direct, we're asking you to 'play for fun, play for 60'!

The #PledgetoPlay will launch alongside the campaign on 18 April 2023. Once you've pledged, you'll be given access to a range of supporting materials and resources to help you achieve your active minutes. Our resources are tailored to suit all age ranges. With separate resources to support schools and families.

If you'd like to find out more about National School Sports Week 2023 and the #PledgetoPlay, register [HERE](#) and we'll let you know as soon as the campaign launches.
